RE: Thank you

Dear Mrs. Bailey,

Thank you so much for your kind contribution of \$516.00 to our Apiculture Science Fund. As you know, these contributions are vital for our research program. In particular, these funds greatly add to our student research projects, thus supporting the long-term efforts for apiculture research. Amazingly, **this campaign has resulted in a total of \$3,755.00 in donations** to date.

Your generous gift will enable us to bolster our ongoing efforts and facilitate our overall research agenda. And please, pass along my heartfelt gratitude to Bailey Bee Supply and all of your customers for their generosity in "rounding up."

Thanks again for your continuing support.

Sincerely,

David R. Tarpy  
Professor and Extension Apiculturist  
North Carolina State University
